Turasanna Scoile

Is gné tábhachtach de shaol na scoile aon turas a eagraítear do na scoláirí. Déantar pleanáil nach beag chun praghas a laghdú agus chun go mbeidh tairbhe le baint as. Ní dhéanann an scoil aon bhrabús, ach a mhalairt, mar is minic a dhíolann an scoil as busanna.

Más féidir in aon chor, cabhraíonn an scoil le daltaí áirithe a mbíonn deacrachtaí airgid acu, ach teacht chugainn. Bíonn an scoil sásta é seo a dhéanamh.

Tugtar fógra trí seachtaine más féidir do na daltaí fén gcostas. **Socraítear an táille ar an mbonn go mbeidh gach dalta ag dul. Is lá scoile é agus mar sin tuigtear go mbeidh gach duine i láthair.**

Iarraimid ar thuismitheoirí a bheith freagrach agus cabhrach nuair a bhíonn siad ag plé leis an scoil. **Tá sé le tuiscint go mbíonn gach dalta ag dul ar gach turas agus gach cúrsa, muna mbíonn leithscéal cuí faighte i scríbhinn ón thuismitheoir ar a laghad trí seachtain roimh ré nó sula mbeidh socruithe déanta ag an scoil.**

Cuirfear bille dtí an chlann dá réir.

Any tour which is organised by the school is important for the pupils. Time and effort is put into the planning so that it is educational and cost effective. The school makes no profit what-so-ever; indeed we frequently divert funds to pay for buses.

The school will try to give financial assistance to pupils who have genuine financial difficulties. Please approach us and we will do our best for the student.

At least three weeks' notice is given regarding costs when possible. **The cost is calculated on the basis that every pupil is going. It is an official school day and therefore every pupil is expected to be present.**

We ask parents to be responsible and considerate when dealing with the school. **It is understood that every pupil will go on every tour unless a pertinent excuse is received in writing from the parents at least three weeks beforehand or before the school has made final arrangements.**

Families will be billed accordingly.
